# App4Legal New Layout.mobile.phone

Welcome to

App4Legal Documentation Center

App4Legal is composed of 3 Components:

1. Core Application: web application collaboration tool.

2. Integration with Outlook, **Mobile App** for Smart Phones.

3. Customer Portal: interactive interface for the legal team's Customers.

This site offers you an access to the Documentation Center of App4Legal. You will have in one single place User Guides, FAQs and legal documents related to your App4Legal Account.

This a part of our self-service portals that we provide to our users to have full information about App4Legal features, release notes and news.
