How to send Emails from Corporate Matters and Litigation Cases

Objectives

• Send Direct Emails from Matters

Steps

An Email Engine is available in Contra, Corporate Matters, Litigation cases, Intellectual Properties, and Invoices so the users will be able to send and receive emails from within the system and track all the email conversations in one place.

To send emails and attach related matter documents directly from LEXZUR:

From the Corporate Matter or Litigation Case page, open the matter you want by clicking on its name or ID.

All emails related to this specific matter can be sent and tracked under the Emails tab on the matter's page.

First, connect your email to Lexzur. Choose either Gmail or Office 365, and sign in with your email address

Your client's email will be automatically retrieved if it is already included under the client's general information.

Choose the subject of your email and the message you wish to send, then click the attach button to attach either a file from your computer or any Lexzur Documents.
